.....

Conditions

- Lumes reserves the right to accept the present application, giving to the applicant a timely communication of his/her decision

-The Lumes' Board of Directors assigns, academic year by academic year, the minimum number and the maximum applications to be accepted. The possibility to get over such limits is, in its unquestionable judgement, supported by the Senate of the University.

-As regards the 2007/2008 academic year, the limits assigned are: minimum 8, maximum 18 students, for each Master.

-If the minimum number above-mentioned has not been reached, Lumes reserves the right to decide if it is the case to activate or not the Master, giving timely communication to the applicants. Nothing is due by the student to Lumes for the administrative activities carried out in any case; nothing is due by Lumes to the student for the non-activated Master.

The undersigned declares having read and approves, without reserve, the above-mentioned clauses.
